NEMO WEEK

VISIT OUR CORSET DEPARTMENT

Some Women Can Wear Almost Any Corset, but Thousands Actually Need the Special Service Which Nemos Alone Can Give

Therefore, "Nemo Week" has become an annual event of absorbing interest, because it is the time when all the latest Nemo inventions have their first full showing. This year we offer a complete series of models in the new—

Nemo Lastikops Corset System

These corsets present entirely new features of great value. They produce extreme slender shapeliness, yet the use of the semi-elastic Lastikops Webbing makes them perfectly safe and comfortable. Models for all figures, from the sylph-like form to the stoutest. Prices—from \$3.00 up.

Nemos Are in a Class Alone

There's no substitute for the Nemo—not even a good imitation. They're the ONLY corsets made with the indestructible Lastikops Webbing. They are long and modish, yet the wearer can sit down in peace. Every woman should see the new Nemos. We are ready, and shall expect you—this week.

Shooting will begin at two o'clock, and no one is eligible to become a contestant for the trophy after each of the entered contestants have shot at twenty five targets. UPSET STOMACH.

MI-O-NA Stomach Tablets Drive Away Stomach Distress in Five Minutes.

Belching of gas; heaviness sour taste in mouth, dizziness, biliousness and nausea occurs simply because the stomach is not properly digesting the food.

MI-O-NA stomach tablets give instant relief to upset stomachs, but they do more; they put strength into the stomach and build it up so that it can easily digest a hearty meal.

Sick headache, nervousness, sleeplessness and bad dreams are all caused by fermentation of food.

Stop the fermentation; renovate the stomach and make it clean and sweet and half the ills of the human family would promptly disappear.

If you have stomach trouble of any kind don't overlook the fact that MI-O-NA is a doctor's prescription, and that it's as good a prescription as any doctor will write for years to come.

W. H. Sheldon sells MI-O-NA stomach tablets and so do leading druggists everywhere. They are rigidly guaranteed to cure any case of stomach disease, or money back.

A large box of MI-O-NA stomach tablets costs but 50 cents. They act so quickly that after dinner distress, heaviness, and belching disappear in five minutes. Give MI-O-NA a trial on money back plan. Free trial treatment of MI-O-NA will be sent to any reader of the Middlebury Register on request. Address Booth's MI-O-NA, Buffalo, N. Y.

The waists are from makers who produce the best that are to be had. They are distinguished for their magnificent cut and fine finish. Every waist is carefully examined, a waist in which a woman feels that she has sufficient room, a waist as good in every way as a woman can have made to order after her own specifications, they are of lawn, marquisette and batiste in a great variety of trimming effects.

Summer Silks

Foulard is a great summer silk favorite—cool, tasteful, well wearing. More over these foulards are in the popular polka dot patterns, blue and white being the favorite.

Women are Choosing Their New Spring Suits—Coats:—A few women are already buying new spring suits and coats—to judge by the pleasant stir and bustle. There's the woman whose winter suit and coat is getting too shabby to wear any longer, the woman who wants to get a start on her wardrobe, the woman who's just tired, tired of winter weights and shades, all eagerly turning to greet the new, the fresh, the stylish, as they enter.
